22. Raveendra Traders purchased a motor car from Nippon Toyota Ltd. as on 01-01-2015 on hire purchase system. The cash price of the motor car was 1,11,700. 30,000 was to be paid on signing the agreement and the balance is three equal instalments of 30,000 each. Interest at 5 % p.a. was charged by the vendor.

The purchases decided to write-off 10 % depreciation annually on the written down value method. The purchases could not pay the instalments due on 31-12-2016 and as a result of this the vendor took possession of the Motor Car and he estimated its value at 55,000 and spent 4,000 for repairing it. Later on this motor car was sold for 64,000.

Prepare the important ledger accounts in the books of both the parties.

Turn over
